

END OF LIFE NOTIFICATION

EOL-POS-240417

This End of Life Notification serves to inform the Purchaser and Consumer of the discontinued availability of the Sensata part numbers listed herein in accordance with the described timeline.

Issue Date: April 17, 2024

Effective Date: April 17, 2024

Subject: Update - End of Life Notification of Select Potentiometer Part Numbers

Scope:

Sensata has discontinued sales of select potentiometer part numbers as shown below. This notification is intended to provide updated guidance related to [this previous notification](#) for the potentiometer product line affecting wire-wound and hybrid potentiometers.

For Part Numbers 12XX thru 18XX –

- For part numbers where the third digit is a 2 (i.e. 162X-) an industrial cross/replacement component may be available. (No flight-certified products)
- For part numbers where the third digit is a 0 or 3 (i.e. 120X- or 183X-) These part numbers are fully obsoleted with no direct replacement available

For Part Numbers 22XX through 28XX

- These part numbers are fully obsoleted with no direct replacement available

For Part Numbers 32XX through 47XX

- These part numbers are fully obsoleted with no direct replacement available

Alternative Products/Models:

Industrial-grade replacements for additional custom parts related to this EOL can be reviewed upon request. Sensata values your business, and we regret any inconvenience this may cause. We remain at your disposal for any support you should need.
